SECTION 1 – CONDITIONS OF PLAY

Introduction

The Conditions of Play are reviewed annually by the Bowls Vic and the GMBR Officiating and Laws Committee.

Bowls Victoria and the Goulburn Murray Bowls Region reserve the right to amend the Conditions of Play from season to season, or as required.

2023-24 Goulburn Murray Bowls Region Pennant competitions are conducted in accordance with the:

- Laws of the Sport of Bowls Crystal Mark 4th edition and BA Domestic Regulations (DRs) as published in April 2023.
- Bowls Australia (BA) Policies; and
- Bowls Victoria (BV) Constitution, BV Regulations, and BV Policies.
- No laws governing a sport can cope with every situation, and the Laws governing the sport of bowls are no exception. The Laws of the Sport of Bowls have been drawn up in the spirit of true sportsmanship. So, if a situation arises that is not covered by the Laws or these Conditions of Play, players and officials must use their common sense and a spirit of fair play to decide the appropriate course of action.

The Goulburn Murray Bowls Region reserves the right to alter or amend the Conditions of Play as it considers necessary, so long as any alteration is not in conflict with the Laws of the Sport of Bowls or Domestic Regulations.

1. Eligibility of Members Clubs

- 1.1 Clubs may enter any number of Sides, up to the maximum number which can be accommodated on the rinks available for use.
- 1.2 Sides of a club if playing in the same division will be treated as different sides and will be graded numerically (1, 2, 3, 4 etc.) in descending order of ability.

2. Insufficient Players to Enter a Side

- 2.1 A club may seek approval from their Region to combine with another club or clubs to enter a Side.
- 2.2 One of the combined clubs must be nominated as being responsible for submitting the side and recording results in BowlsLink, as provided for in Section 1, Clause 32.
- 2.3 If a combined side is approved, the players are permitted to wear their respective club uniform and cap. If bowls discs are used, all members of the combined side must use discs that are of the same colour/design.
- 2.4 If a club does not have sufficient players to form a side for the club's lowest numbered Side, the Side can play with one or more teams playing in accordance with DR 2.6.

3. Eligibility of Players

- 3.1 Clubs must ensure all their players competing in any Victorian pennant competition are registered BV Members with playing rights and recorded on the club's BowlsLink database prior to the commencement of the game.

A breach of this requirement will result in forfeiture of the game to the opponent and/or action being taken under Section 1, Clause 48.

Note: *Any participant in an organised event[^] at club level and above must be a registered financial member** of a BV Member club and recorded on the BowlsLink database as having playing rights.*

[^] Organised club events include all regular competitions regardless of the value of the prize or prestige associated with the event. For the avoidance of doubt, this includes social competitions such as Thursday morning triples where the prize might be a frozen chook or a small amount of money, but does not include barefoot bowls or Christmas parties which are understood to serve as an important format to attract new members and a vital income stream for clubs.

*** A registered financial member is any club membership that includes playing rights of any kind.*

4. Gender Specific Restrictions

- 36.2 If a post sectional match game is abandoned, it will be rescheduled and completed under such conditions as the playing area pennant committee decides unless the scores are such that one side must win the game if all remaining ends were played.

37 Inclement Weather, Play Commencement, and Interruption to Play

An inclement weather arrangement suitable for local conditions will be developed by the playing area pennant committee.

37.1 Goulburn Valley Playing Area

37.1.1 Cancelled Rounds:

The relevant GV Playing Area Match Committee may determine at any time prior to 3 hours of the starting time of a Round, that the Round has been cancelled. If possible, a cancelled Round may be replayed later as determined by the Match Committee. If no date is available for play, then no points will be allocated for that Round. Teams should be submitted on BowlsLink as cancelled Rounds count towards qualification for finals.

There shall be NO Spare Days in the Goulburn Valley

37.1.2 Abandoned Games:

If within 2.5 hours of the starting time for a Pennant match, the Greens Director or their Deputy determines the game cannot commence, or the Side Managers agree that play is not possible, then that game will be abandoned with the points shared equally by the competing Sides. Abandoned games will not be replayed later.

Side Managers may by mutual agreement abandon the game at any time due to the prevailing weather conditions.

Teams should be submitted on BowlsLink as Abandoned Games count towards qualification for finals.

37.1.3 Closure of Green – Wet Weather:

If any Club closes its green 2 hours before both Midweek and Weekend Pennant starting times, that Club shall make every

effort to arrange to play at an alternate venue. If no alternate venue is available, they must then inform the opposing Club and the Relevant Match Committee

When play for the day has been commenced and stopped owing to inclement weather, it shall not be resumed if the club Greens Director or their nominated deputy declares the green unfit for play. Otherwise, the Side Managers shall decide whether to resume or not, failing agreement, the decision shall rest with the umpire.

If a game has been delayed or interrupted by inclement weather and is not completed or been abandoned within 5.1/2 hours of the appointed/agreed starting time, it shall stop. Any ends in progress at that time shall be completed, including dead ends.

37.1.4 Inclement Weather – Lightning:

When Lightning is sighted by the Managers, play will be suspended and all players are required to leave the green immediately and move to a safe structure. When the Managers deem it safe to return to the green, play should resume.

37.1.5 Inclement Weather – Heat:

If the temperature forecast the night before at venue club is 38° degrees, then the thermometer shall be placed appropriately and shall be checked prior to the start of play by both Side Managers and then at intervals not greater than 30 minutes.

All Clubs shall have an official thermometer mounted in a Stevenson Screen for the purpose of monitoring temperature. On Pennant days if

temperatures are forecast to be extreme (38°) the thermometer shall be placed 1.2 to 1.5 metres above the ground and adjacent to the Green. Only the official thermometer shall be referred to.

If a **CATASTROPHIC FIRE DANGER DAY** is declared on Friday for the Saturday or Monday for the Tuesday, all pennant for the scheduled round will be cancelled, no exceptions. This round may be re-scheduled by the Match Committee.

If the actual dry bulb temperature recorded at the venue club thermometer has reached over 38° Weekend or 38° Midweek degrees Celsius 30 minutes before the start of play, then commencement of the match will be suspended until such time as the temperature falls back below 38° degrees Celsius Weekend, 38° degrees Celsius Midweek.

Playing Area Match Committee has the authority to amend starting times for Weekend Pennant to 9.30am start for all divisions under "Extreme Heat" policy if the forecast temperature for Saturday is or exceeds 38° in the week prior to any scheduled round of pennant.

Rule needs to be applied by Thursday 6.00pm or earlier so Weekend Pennant clubs may be notified of amended start time.

An exception to this rule applies to any pre-arranged Weekend Pennant games scheduled by individual clubs for "Friday night or other times."

Following commencement of a game for both WEEKEND and MIDWEEK Pennant, if the temperature at the venue club reaches 38° then play must be suspended for a maximum period

of one (1) hour or until the temperatures drops below 38°. If after that hour, the temperature has not reduced below 38° then the match will be declared completed if enough ends had been played, and if not, it would be abandoned.

Only Side Managers can check the thermometer and if the temperature is over Weekend 38° degrees or Midweek 38° degrees Celsius or above, the game in progress will be suspended until such time as the temperature falls to or below Weekend 38° or Midweek 38° degrees.

If a suspension of play occurs and the game is not completed or been abandoned within 5.5 hours of the appointed starting time, it shall stop. Any ends in progress at that time shall be completed, including dead ends.

Teams should be submitted on Bowls link as cancelled Rounds count towards qualification for finals.

37.1.6 Results for Games Affected by Inclement Weather:

If a sectional match is abandoned before or during play before a result is obtained, it will be a tie.

If a match is abandoned during play and one Side must win if all the remaining ends were played, points will be allotted as if the match had been completed, with the points for Team wins and shots allocated on the scores as they stand at the time of the abandonment.

37.1.7 Number of Ends to Complete a Match

If a game is interrupted by inclement weather and can't be completed. If a total of ends as

indicated below have been played then the side in front at that time would be deemed the winner –

16 per side = 60 ends

12 per side = 45 ends

8 per side = 30 ends

37.1.8 **Player Responsibility:**

When playing in warm or hot conditions, players should take responsibility for his/her wellbeing with good hydration and suitable preparation before and during the game. It is the Individuals responsibility to take care of themselves.

The game should be completed on the same day providing time allows and the temperature falls below 38° degrees Celsius, or the green becomes playable.

If a game is unable to be continued on the same day, it will be continued at a time and place as determined by the controlling body with the scores as they were at the time of the stoppage.

37.2 Murray Playing Area

37.2.1 **Cancelled Rounds:**

The relevant Murray Playing Area Match Committee may determine at any time prior to 3 hours of the starting time of a Round, that the Round has been cancelled. If

possible, a cancelled Round may be replayed later as determined by the Match Committee. If no date is available for play, then no points will be allocated for that Round. Teams should be submitted on BowlsLink as cancelled Rounds count towards qualification for finals. Cancelled Rounds may be played on Spare Days as available.

37.1.2 **Abandoned Games:**

If within 2.5 hours of the starting time for a Pennant match, the Greens Director or their Deputy determines the game cannot commence, or the Side Managers agree that play is not possible, then that game will be abandoned with the points shared equally by the competing Sides. Abandoned games will not be replayed later.

Side Managers may by mutual agreement abandon the game at any time due to the prevailing weather conditions. Teams should be submitted on BowlsLink as Abandoned Games count towards qualification for finals.

37.1.3 **Closure of Green – Wet Weather:**

If a game has been delayed or interrupted by inclement weather and is not completed or been abandoned within 5.1/2 hours of the appointed/agreed starting time, it shall stop. Any ends in progress at that time shall be completed, including dead ends.

37.1.4 Inclement Weather – Lightning:

When Lightning is sighted by the Managers, play will be suspended and all players are required to leave the green immediately and move to a safe structure. When the Managers deem it safe to return to the green, play should resume.

37.1.5 Inclement Weather – Heat:

If a **CATASTROPHIC FIRE DANGER DAY** is declared on Friday for the Saturday, all pennant for the scheduled round will be cancelled, no exceptions. This round may be re-scheduled by the Match Committee if a spare day is available.

If the actual dry bulb temperature recorded at the venue club has reached over Weekend 40° or Midweek 38° degrees Celsius 30 minutes before the start of play, then commencement of the match will be suspended until such time as the temperature falls back below 40° degrees Celsius Weekend, 38° degrees Celsius Midweek.

Playing Area Match Committee have the authority to amend starting times to 9.30am start for all divisions under “Extreme Heat” policy if the forecast temperature for

Saturday is or exceeds 38° in the week prior to any scheduled round of pennant.

Rule needs to be applied by Thursday 6.00pm or earlier so clubs may be notified of amended start time.

An exception to this rule applies to any pre-arranged games scheduled by individual clubs for 'Friday night games'

Following commencement of a game, only Side Managers can check the thermometer and if the temperature is over Weekend 40° degrees or Midweek 38° degrees Celsius or above, the game in progress will be suspended until such time as the temperature falls to or below Weekend 40° or Midweek 38° degrees.

If a suspension of play occurs and the game is not completed or been abandoned within 5.5 hours of the appointed starting time, it shall stop. Any ends in progress at that time shall be completed, including dead ends.

Teams should be submitted on Bowls link as cancelled Rounds count towards qualification for finals. Cancelled Rounds may be played on Spare Days as available. (if Spare Days are utilised, previously submitted teams don't count in relation to qualification for finals).

37.1.6 Results for Games Affected by Inclement Weather:

Rule 34.5 will apply for partially completed games and those completed games will stand for the Round.

If a match is abandoned during play and one Side must win if all the remaining ends were played, points will be allotted as if the match had been completed, with the points

for Team wins and shots allocated on the scores as they stand at the time of the abandonment.

37.1.7 Number of Ends to Complete a Match

If a game is interrupted by inclement weather and can't be completed. If a total of ends as indicated below have been played then the side in front at that time would be deemed the winner –
