

LIVE SCORING APP

Note: Ensure the Live Scoring App has been downloaded –

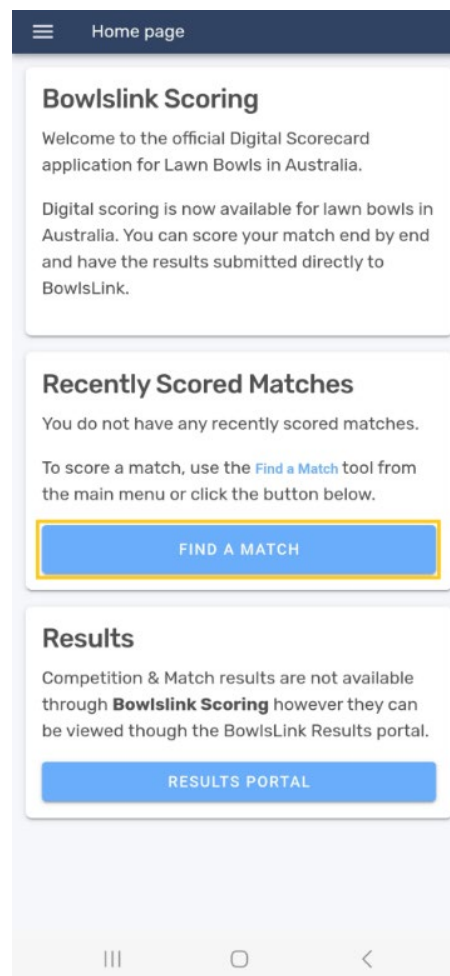

For **iPhone** users go to the [Apple App Store](#)

For **Android** users go to [Google Play](#)

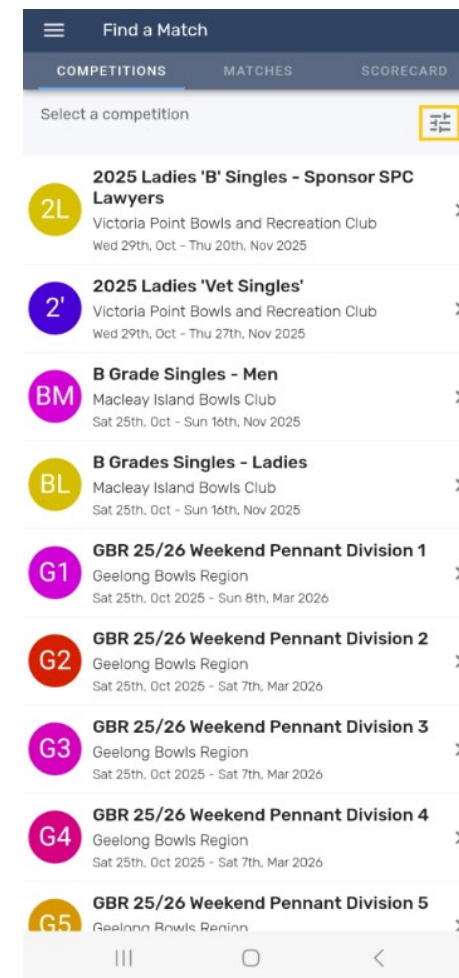

Once downloaded, login to the Live Scoring App using combination of Email, NIN or Mobile Phone and Password (*if unknown see your clubs BowlsLink Administrator or Secretary*).

After logging in, click **FIND A MATCH**. This will display all available competitions and matches that can be scored using the Live Scoring App.

To filter down the displaying competitions, click the **SETTINGS ICON** on the top right-hand corner of the screen.

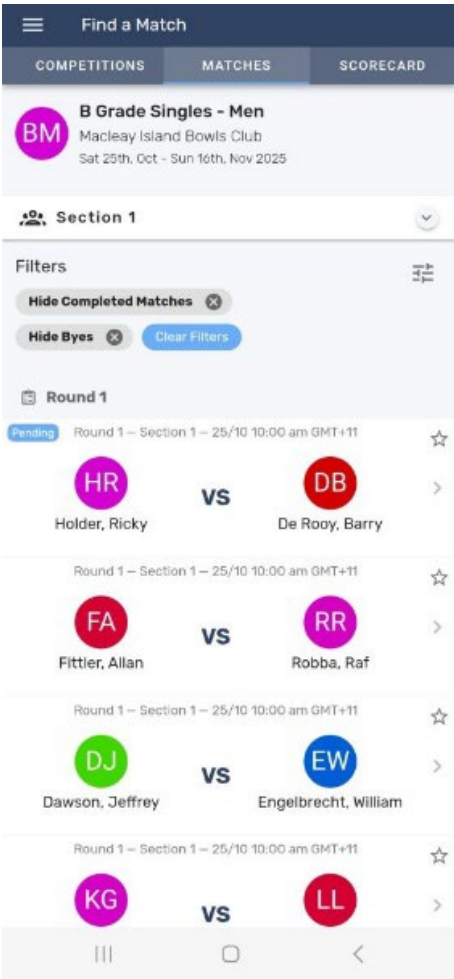

The filters available include:

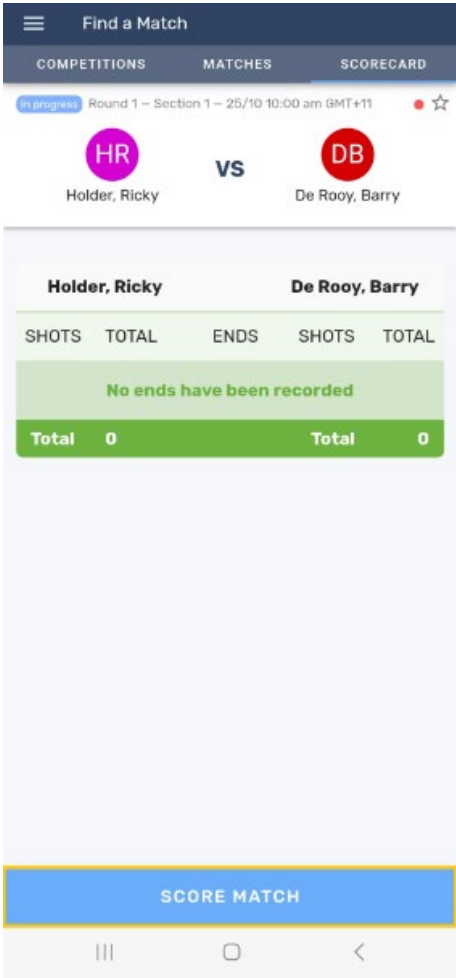

- Organising Body
- **Event**
- Only competing competitions
- Only marking competitions

Once the desired filters are added, click **Filter**. When the competitions is found, select and the following screen will show the fixtures of the **Competition**.

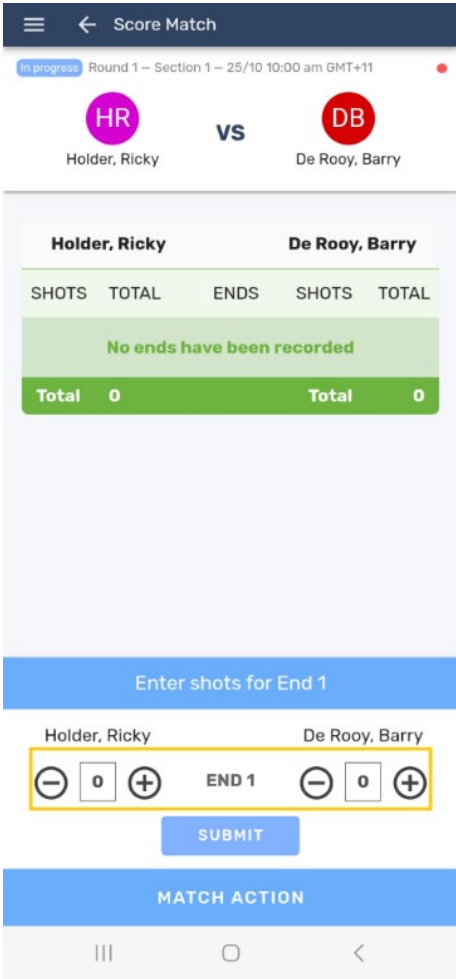

Select the match you will be scoring. If the match being scored does not show initially, you may need to change the section. To change the Section, click the **dropdown above the filters** and select the desired Section.

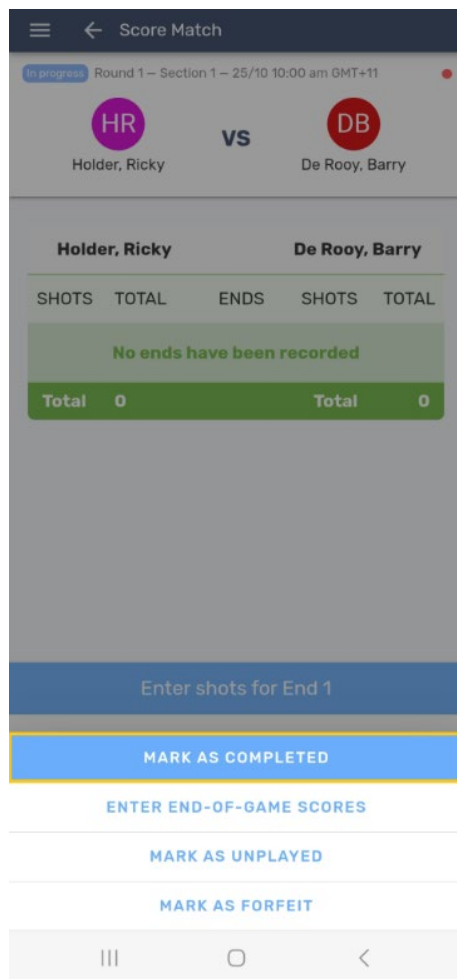

To start scoring the match, click **SCORE MATCH**.

As the match is played and scored, enter the results by selecting the **plus '+'** or **minus '-'** buttons and after the scores are final, click **SUBMIT**.

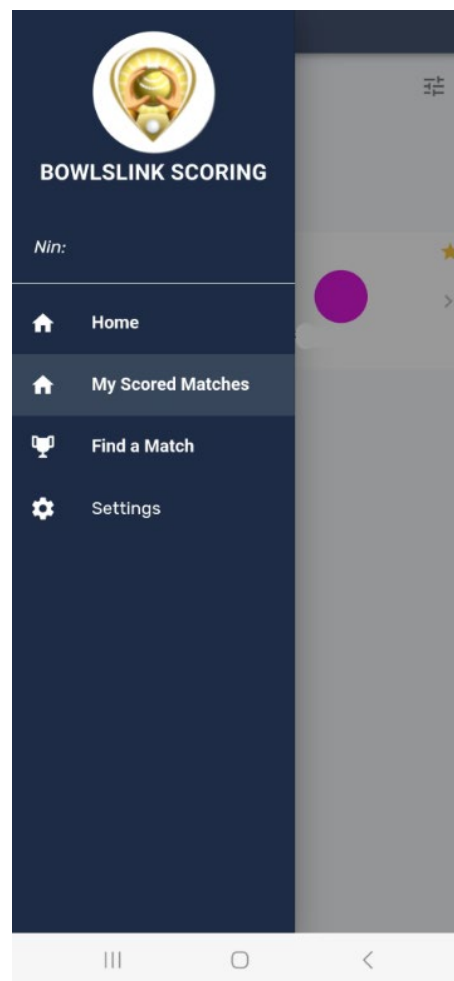

Repeat the steps for each end and after all ends are completed, click **MATCH ACTIONS** and select '**MARK AS COMPLETED**'.

NOTE: Once the match is completed and finalised it cannot be altered unless by a **Competition Administrator!!!**

SCORED MATCHES will appear on your Home screen and flagged as a 'Favourite' for quick access.

Select the menu option on the top lefthand corner of the Live Scoring app to navigate to your Home, My Scored Matches, Find a Match or Settings options as needed.

BowlsLink Live Scoring Mobile Application Checklist

- Check your device is compatible**
 - Ensure that your personal device or the device you are using is compatible with the mobile application - To check your device, please see our BowlsLink Support article ([Live Scoring](#))
- Download the Live Scoring App or Update current version**
 - Go to iOS or Android Store and download - search **BowlsLink Live Scoring**. Also be sure to check you have the latest version updated.
 - For further assistance in downloading the app, please see our BowlsLink Support article ([How to install the BowlsLink Live Scoring App](#))
- Check your BowlsLink account and login**
 - BEFORE your event, please ensure you can login to your BowlsLink account (you will need an email linked to your BowlsLink account)
 - For assistance logging into your account, and resetting passwords, please see our BowlsLink Support article ([How to Login to BowlsLink and Reset Password](#))
- Make sure your device is charged**
 - Ensure the device being used is fully charged or as charged as possible - the app takes little power, however, depending on usage and life of device being used, this can affect the power-use. Battery packs are also worth considering.
 - We recommend using your devices' **Battery Saving Mode** to prolong battery
- Wi-Fi or Mobile Data available**
 - Confirm that the device in use has Mobile Data enabled or is connected to a Wi-Fi network (this should be accessible at both ends of the green).
 - Players are encouraged to utilize their mobile data whenever possible to maintain optimal reception throughout the match.
- Further Training**
 - For further training, we highly recommend watching the Bowls Victoria [Live Scoring Tutorial](#)
